Lone Star College-CyFair is committed to your success! One of our cultural beliefs is [Students Matter!](#)

If you are experiencing challenges achieving your academic goals, please contact your advisor or instructor. Advisors can provide assistance with questions related to academics, while the Counseling office can assist with ADA accommodations and personal barriers. All concerns related to classroom instruction must first be addressed with the instructor.

Evaluation of Instruction

Lone Star College-CyFair is committed to acting intentionally about student success. As part of its institutional effectiveness efforts, our instructors are assessed in several ways. For the continuous improvement of our instruction, all students are encouraged to provide input for each course they take each semester using the Course Evaluations Questionnaire, which can be accessed through your myLonestar account. This occurs approximately half way through your course, and you will be notified when surveys are available for completion. Instructions on how to access and complete the Course Evaluations Questionnaire can be found by logging into your [MyLoneStar Account](#) and clicking on the Quicklinks – “How To” Documents. The college deans review these evaluations each semester. Additionally, the deans and/or department chairs may visit each instructor’s class at some time during the semester to observe the instructional environment being provided and complete an assessment of the instructor.

Withdrawal Policy

Withdrawal from the course after the official day of record and prior to the **“W” Day**, will result in a final grade of “W” on your transcript. You are strongly encouraged to meet with your professor prior to withdrawing from a course, to consider all options prior to withdrawing. No credit will be awarded for a course earning a “W.” If you stop attending class, you must withdraw at the registration office prior to “W” day. If you stop attending class and do not officially withdraw, you will receive an “F” for the course.

Six Drop Rule

Students who enrolled in Texas public institutions of higher education as first-time college students during the Fall 2007 term or later are subject to section 51.907 of the Texas Education Code, which states that an institution of higher education may not permit a student to drop (withdraw with a grade of “W”) from more than six courses, including courses that a transfer student has previously dropped at other Texas public institutions of higher education that have already been counted against their [six drop limit](#). Each student should fully understand this drop limit before you drop any course. Please see a Counselor or Advisor in our Student Services area for additional information and assistance. **Dropping a transitional and/or ESOL course does not count against the six drop limit.**

Lone Star College-CyFair Campus Policies

We encourage students to read the [Student Handbook](#) and [LSC Catalog](#) for a comprehensive list of policies and procedures.

Student Behavior Expectations

Students are expected to conduct themselves appropriately while on College property or in an online environment. Students may receive disciplinary action up to and including suspension, if they violate College rules, disrupt classes, or interfere with the opportunity of others to obtain an education. Students who pose a threat to the safety of others will be subject to immediate withdrawal from the classroom, campus environment, and/or online environment, as well as face subsequent criminal charges, as appropriate. Please refer to the [Student Code of Conduct](#) for additional information.

Academic Integrity

Lone Star College-CyFair is committed to a high standard of academic integrity in the academic community. In becoming a part of the academic community, students are responsible for honesty and independent effort. Failure to uphold these standards includes, but is not limited to, the following: plagiarizing written work or projects,

cheating on exams or assignments, collusion on an exam or project, and misrepresentation of credentials or prerequisites when registering for a course. Cheating includes looking at or copying from another student's exam, orally communicating or receiving answers during an exam, having another person take an exam or complete a project or assignment, using unauthorized notes, texts, or other materials for an exam, and obtaining or distributing an unauthorized copy of an exam or any part of an exam. Plagiarism means passing off as his/her own the ideas or writings of another (that is, without giving proper credit by documenting sources). Plagiarism includes submitting a paper, report, or project that someone else has prepared, in whole or in part. Collusion is inappropriately collaborating on assignments designed to be completed independently. These definitions are not exhaustive. When there is clear evidence of cheating, plagiarism, collusion, or misrepresentation, disciplinary action may include but is not limited to requiring you to retake or resubmit an exam or assignment, assigning a grade of zero or "F" for an exam or assignment; or assigning a grade of "F" for the course. Additional sanctions including being withdrawn from the course, program or expelled from school may be imposed on a student who violates the standards of academic integrity. For additional information, please read the [Academic Integrity Brochure](#).

Academic Appeals

An academic appeal is a formal request by a student to change a grade or to challenge a penalty imposed for violations of standards of academic integrity such as plagiarism or cheating. Before a student brings an academic appeal, he or she should first meet with the instructor to request that a change be made. For additional information, please read the [Academic Complaint and Appeal Process](#).

The student must notify the faculty member in writing within the first 12 days of the semester of the intent to be absent due to a religious holy day.
